

Pend Oreille County Board of County Commissioners Meeting

October 4, 2016

9:15 A.M.

Public Works Discussion Items

Solid Waste:

- ✚ Operational Needs
- ✚ Tipping Floor repairs slated for 2017
- ✚ Commodities update

Building & Grounds:

- ✚ Meeting with vendors to discuss jail security doors
- ✚ HVAC near completion – fan & coil units require an electrical inspection. Once approved we can button up any open areas of the ceiling in the courthouse.

Roads:

- ✚ WA-FY16-06 Flowery Trail Proposal Update. \$1,118,390 is less than half of the costs for construction. This funding is from the FLAP program (Forest Land Access Program).

RAP (Regional Arterial Preservation) is funding 1.5 Million for Flowery Trail. We have secured 750K this year and the RAP funding source is committing another 750K for our project next year. Danforth to Calispel – Cement Treated Base all weather road

Total Costs 2.6 Million – No county dollars needed for this project
Project is contingent on the Legislature passing the Federal Budget – FLAP portion

- ✚ WA-FY16-16 Smackout Pass Proposal Update. \$614,314 the funding is equal to 80% of the project. This funding is from the FLAP program (Forest Land Access Program).

20% of the funding will come from RAP (regional arterial preservation program). This is one of two Timber Bridges left in the county. The second timber bridge is on Tacoma Creek. Looking at future funding opportunities for replacement. The deck on this structure is in need of replacement.

- ✚ Harvey Creek – WDFW – Citation may be issued by their enforcement staff for boulder removal - October 19 (meeting on site at 10 am)
- ✚ Ruby Creek – Forest Harvest – Primitive Road – Discussion with Forest Service
- ✚ Auction 2003 Mack truck sold for \$27,100

Other:

- ✚ MRSC – Purchasing & Contracting October 12 & 13 Kennewick
- ✚ Resolution 2016 – 31
- ✚ WSAC – Spokane November
- ✚ Growth Management Survey Meeting Later Today?
- ✚ Washington State Parks & Recreation Committee Agreement – Geophysical, Kings Lake
