Financial Services

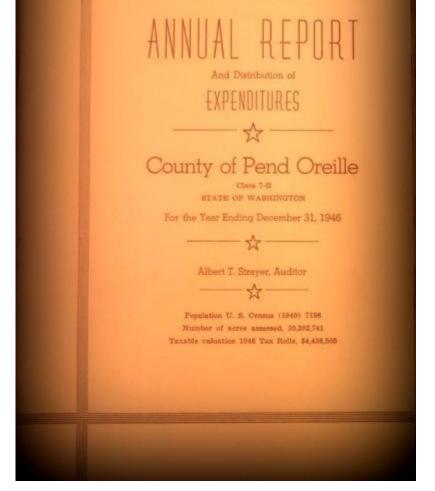

The Financial Services function of Pend Oreille County Auditor's Office provides financial, accounting, payroll and expenditure services for County departments, agencies and the public. We provide assistance to those departments and offices in the compliance of financial requirements set by various federal, state and local regulatory agencies. Financial Services also acts as a resource for addressing departmental accounting needs and questions.

Accounts Payable

Accounts Payable processes expenditures for Pend Oreille County and local junior taxing districts. Along with verifying budget authority, each voucher is checked for compliance with county resolutions and state law. Any questions regarding payment should be referred to the department, office or district that owes for the purchase or service.
