

Buildings & Grounds

The Buildings and Grounds Department provides ongoing maintenance and custodial services for County owned buildings and grounds so that County Employees, County Residents and the general public have access to clean and safe facilities.

The Buildings and Grounds Department oversees leased properties; manages all County renovations, alterations and new construction project and provides emergency response. We maintain a Historic Building, the Old Courthouse is listed in the national Register of Historic Places.

For any assistance, please call 509-447-4513.
