

ER&R

Fleet Management Services- Also known as Equipment Rental and Revolving (ER&R). The ER&R division is responsible for the purchase, maintenance, and disposal of County vehicles. We provide maintenance and repair services and maintain materials and fuel for vehicles/equipment for the County. This division includes three County Road shop vehicles and equipment, Sheriff Department vehicles including radio equipment, and various County department vehicles.

ER&R also provides fuel services for the County's Jr Districts of which include two school districts, the Public Utility District, Port of Pend Oreille, WSP, six local Fire Districts, Search & Rescue, three water districts, and two local cemetery districts.

ER&R has three mechanics that work out of the Dist. 1 Road shop along with a field service truck that helps with County road jobs and bridge projects.

For inquiries on surplus auction vehicles-go to the [Public Surplus](#) website.
