Re: Resolution # 2010-10 Prohibiting sex discrimination in the operation, conduction and administration of community athletics program by Pend Oreille County

Pend Oreille County prohibits discrimination against any person on the basis of sex in the operation, conduct, or administration of community athletics programs for youth or adults by any athletic program operated by Pend Oreille County, the Pend Oreille Park and Recreation Department or any other department of the County.

Pend Oreille County also prohibits discrimination against any person on the basis of sex in the operation, conduct, or administration of community athletics programs for youth or adults by any third party receiving a lease or permit from the County or using County facilities.

"Community athletics program" means any athletic program that is organized for the purposes of training for and engaging in athletic activity and competition and that is in any way operated, conducted, administered, or supported by Pend Oreille County.
