Use Vinegar to Clean Your Microwave

Mix ¼ cup of white distilled vinegar and 1 cup water. Boil in the microwave. The steam will loosen caked-on food, making it easier to clean.

It will also get rid of odors.

Use Vinegar to Manage Fleas and Ticks on Pets

Use white distilled vinegar in your pet’s drinking water to help keep the animal free of fleas and ticks.

Add to one quart of water:
1 teaspoon vinegar for animals over 40 pounds
½ teaspoon vinegar for animals over 10 pounds
¼ teaspoon vinegar for animals under 10 pounds

Use Vinegar to Clean Floors

To clean no-wax floors, add ½ cup of white distilled vinegar to a half-gallon of warm water. No need to rinse!

Use Vinegar to Remove Cooking Odors

Get rid of kitcher cooking smells by mixing a cup of white distilled vinegar with a cup of water and let simmer on the stove until odor is gone.

Use Vinegar to Fight Laundry Stains

Spraying white distilled vinegar onto deodorant-stained shirts before washing can remove the discoloration.

It’s also great for fighting mustard, tomato sauce, and ketchup stains.

Use Vinegar to Clean Wooden Cutting Boards

Clean and disinfect wood cutting boards by wiping with full-strength, white distilled vinegar.

Use Vinegar to Wash Baby Clothes

To freshen baby clothes, add 1 cup of white distilled vinegar during the laundry rinse cycle. Vinegar helps break down uric acid and soapy residue, leaving the clothes soft and fresh.
