

Noxious Weed Board Calibration Workshop

Event Date

Fri, Apr 12 2024, 10 - 11am

The Pend Oreille County Noxious Weed Board's 2nd annual Calibration Workshop will be held at 10 a.m. on Friday April 12, 2024.

With a focus on herbicide application, this workshop will cover tank mix procedures, importance of water testing, proper application, spray nozzles, spray pattern, cleaning equipment, and more, with a live demo of backpack sprayer calibration. The workshop generally lasts one hour with time for questions after the event.

We encourage anyone who will be spraying their own property this year to attend! The Calibration Workshop is an outdoor, hands-on event dependent upon good weather. If needed, please bring your own chair. The Workshop is held at the County garage bays behind the building at the corner of N Calispel Ave/S Calispel Ave and 1st Street. The address is 916 N Calispel Ave, Newport, WA 99156.

Questions? Contact the Weed Board at 509-447-2402, [noxweedinfo \[at\] pendoreille.org](mailto:noxweedinfo@pendoreille.org), or stop by the office 227B South Garden Ave, Newport, WA 99156.

Did you know the Pend Oreille County Weed Board's Neighborhood Cost Share Program offers 50% cost-share up to \$500 for weed management groups of 2 or more landowners? Individual and Aquatic landowners may also be eligible for cost share options. Eligible costs include applying weed prevention principles such as fertilizing, planting competitive vegetation, applying herbicides, hiring contractors and more! Applications are accepted through April 18th on a first come, first serve basis and may be found online: www.pendoreilleco.org/weed-board or picked up at the Weed Board office, 227 S Garden Avenue, Suite B, in Newport.
